|C             G                  Am             F
When I find myself in times of trouble  Mother Mary comes to me
C                  G            F Em-Dm-C
Speaking words of wisdom  let it be
                          G            Am             F
And in my hour of darkness  she is standing right in front of me
C                  G            F Em-Dm-C
Speaking words of wisdom  let it be

     Am       G       F        C
Let it be  let it be  let it be  let it be
                         G             F Em-Dm-C
Whisper words of wisdom  let it be

                         G           Am        F
And when the broken hearted people  living in the world agree
C                  G           F Em-Dm-C
There will be an answer  let it be
                         G           Am           F
But though they may be parted  there is still a chance that they will see
C                  G           F Em-Dm-C
There will be an answer  let it be

     Am       G       F        C
Let it be  let it be  let it be  let it be
                            G             F Em-Dm-C
Yeah there will be a answer  let it be

                         G           Am           F
And when the night is cloudy  there is still a light that shines on me
C                  G           F Em-Dm-C
Shine on till to-morrow  let it be
                         G           Am        F
I wake up to the sound of music  Mother Mary comes to me
C                  G           F Em-Dm-C
Speaking words of wisdom  let it be

     Am       G       F        C
Let it be  let it be  let it be  let it be
                           G             F Em-Dm-C
Ah there will be a answer  let it be

*outro:*  **F Em-Dm-C  G-Am-G - F - C** *(slow at end)*
