A World Without Love - Peter&Gordon *#1 in '64*

(Written by Paul McCartney)

```
|D              |F#       |Bm            |Bm
Please lock me away  and don't allow the day
          |D          |Gm          |D        |D        |Em
Here inside  where I hide  with my loneliness  I don't care
                            |A7                    |D   |Bb-A7
What they say  I won't stay  in a world without love

D                  F#         Bm
Birds sing out of tune  and rainclouds hide the moon
        D            Gm             D              Em
I'm okay  here I'll stay  with my loneliness  I don't care
                         A7                    |D   |D7
What they say  I won't stay in a world without love

  Gm                          D
  So I wait and in a while   I will see my true love smile
 Gm                              Em              A7
  She may come I know not when  when she does I'll know  so baby until

D                  F#         Bm
Then  lock me away  and don't allow the day
          D            Gm            D                Em
Here inside  where I hide  with my loneliness  I don't care
                         A7                      D    Bb-A7
What they say  I won't stay  in a world without love
